

# Deckscape - The fate of London

Martino Chiacchiera and Silvano Sorrentino

The second thrilling adventure of the Deckscape game series

A brand-new title in the “pocket escape room” series. A terrible threat hangs over London, and the Crown of England needs your help! Your mission is to find four devices hidden in secret locations and defuse them before midnight.

- 1 You and your friends have a top secret mission: to defuse the bombs before they explode!
- 2 Try to solve the singular puzzles of this adventure and find a way out in time.
- 3 You have no rulebooks to read: just open the box and you are ready to play

Contents:  
60 cards.
